Notes 9-7-2018:

Kim will identify the following for the work groups –
- Public comments by others on Healthcare committee changes – E52-18, M81-18
- Public comments by others on code changes Healthcare was monitoring – P22-18
- Public comments by Healthcare on Healthcare Proposals (13 total) – E52, E92, F26, F28. F69, F180, FS39, G43, G87, G113, M50, M51, P22-18

Kim will look for any code changes from Healthcare for the 2018 IEBC that did not pass –
  Healthcare did not propose any changes to IEBC

Kim will look for Group I-1, I-2 and ambulatory care specific requirements found in the prescriptive method and the work area method of the IEBC. (separate file)

John will review the IEBC prescriptive method and Change of occupancy, and Jeff will look at the work area method to see if there are items that would prohibit use of the options in the IBC and IFC for healthcare.

The Fire/Fire Safety work group reviewed the Hospital K-tag list for items that should be reviewed in respect to the IEBC requirements. Many requirements were addressed in the operational issues in the IFC. Items being reviewed for possible code change proposals are as follows:
- Henry-K321, K363, K364
- Jeff-K322
- Bill –K341, K347, K351
