RE: Ballot to Establish a New Working Group

The New Project, ISO/AWI 25199 GUIDELINES FOR PROCESSING OF MULTIPLE-USE HEALTHCARE TEXTILES, was approved by NP ballot on 12 July 2024 (**ISO/TC 304 N449**). This proposal recommended the creation of a new working group. This working group would be called:

ISO/TC 304 WG 8 Healthcare textiles

Please review and vote on this question by the ballot deadline, 5 September 2024.
